

CRA Taulbee Survey

Taulbee Pre-Registration Form (2026)

Welcome to the Taulbee Pre-Registration Form (2026)!

This short pre-registration form is an important first step to ensure we have the most accurate information on your academic unit before launching the two Taulbee surveys this year. Your responses will help us:

- Verify your **academic unit's information** in our system.
- Update the **department head information** for your unit.
- Confirm your participation in the **Taulbee Main** and **Taulbee Salary** surveys.
- Provide us with the contact information for your academic unit's **Taulbee data liaisons**. The definition of a **Taulbee data liaison** is provided in later sections.

Your unit's responses to this form are vital for a smooth data collection process and must take place prior to taking either of the surveys. This form should only take **1-3 minutes** to complete and must be submitted by **October 14, 2026 at 11:59 PM ET**.

Please complete this form even if your unit plans to skip this year's survey. Your response will determine whether your unit receives links and reminders for Taulbee Salary and Main.

The survey is designed so you can save your progress and return to it later by using the link you received via email. When you click "next," that page's data is saved. If you have any questions, please contact the CRA Taulbee Team at TaulbeeSurvey@cra.org.

Questions?

Do you have any questions regarding this year's Taulbee survey process?

Do you have any questions, comments, or feedback in general regarding Taulbee?

Thank You!

Thank you for completing the Taulbee Pre-Registration Form (2025)! We appreciate you taking the time to provide this vital information so that CRA can continue reporting this data for the computing community.

If your academic unit is participating, we will be in touch in October with your designated Taulbee data liaisons. They will receive the data gathering PDFs and important logistical updates to help them with this year's survey process after this pre-registration form closes. They will receive the unique survey links for both the Taulbee Main and Taulbee Salary surveys when they launch.
